

## SCOTT W. HAMMERSTEDT

Oklahoma Archeological Survey, University of Oklahoma  
 111 Chesapeake St., Room 102, Norman, OK 73019-5111  
 Phone: (405) 325-7207, Fax: (405) 325-7604, swh@ou.edu  
 ORCID: 0000-0001-6533-3373

### EDUCATION

Ph.D. (anthropology), Pennsylvania State University, 2005.  
 M.A. (anthropology), University of Alabama, 2000.  
 B.A. (anthropology/history), Pennsylvania State University, 1995.

### RESEARCH INTERESTS

Pre-Columbian Eastern United States, archaeological geophysics, social organization, monumental architecture, political economy, settlement patterns, ceramics, experimental archaeology

### COURSES TAUGHT

Archaeology of the Eastern Woodlands	North American Archaeology
Archaeology of the Southeast	Remote Sensing in Archaeology
Cultural Ecology	North American Indians
Hunters and Gatherers	Science, Technology, and Human Values
Introduction to Anthropology	Archaeological Laboratory Analysis
Introduction to Archaeology	Ceramic Analysis
Introduction to Cultural Anthropology	Experimental Archaeology (in preparation)

### PROFESSIONAL EMPLOYMENT

2007-present, Senior Researcher, Oklahoma Archeological Survey, University of Oklahoma.  
2008-present, Affiliated Faculty, Department of Anthropology, University of Oklahoma.  
2014-present, Lecturer, Department of Sociology, Oklahoma State University.  
2006-2008, Research Assistant Professor, Department of Anthropology, University of Tennessee.  
2005-06, Lecturer, Department of Anthropology, Pennsylvania State University.  
2004-05, Teaching Assistant, Department of Anthropology, Pennsylvania State University.  
2004, Instructor, Science, Technology, and Society Program, College of Engineering, Pennsylvania State University.  
2002-03, Teaching Assistant, Department of Anthropology, Pennsylvania State University.  
2000-02, Research Assistant, Department of Anthropology, Pennsylvania State University.  
Summer 2001, 02, 04, 05, Graduate Lecturer, Department of Anthropology, Pennsylvania State University.  
1999-00, Teaching Assistant, Department of Anthropology, University of Alabama.  
1998-99, Research Assistant, Moundville Mound Project, Department of Anthropology, University of Alabama.

## RELEVANT FIELD EXPERIENCE

- 2011-present, Co-Director, Spiro Landscape Archaeological Project, Le Flore County, Oklahoma.
- 2019-2020, Director, Geophysical Survey of Potential Tulsa Race Massacre Burial Locations, Tulsa, Oklahoma.
- 2019, Co-Director, Geophysical Survey and Targeted Archaeological Testing of Laundress Quarters: Fort Gibson Historic Site, National Historic Landmark
- 2017, Monte Albán Geophysical Project, Oaxaca, Mexico.
- 2015-16, Co-Director, Oklahoma Anthropological Society excavations at Fort Washita (34BR70).
- 2013, Co-Director, Geophysical and Archaeological Survey of the Beattie's Prairie and Bushyhead Depot sites, Delaware and Adair Counties, Oklahoma.
- 2011-12, Director, Geophysical Survey at the Grobin Davis Mound Group (34MC253), McCurtain County, Oklahoma.
- 2012, Co-Director, Oklahoma Anthropological Society Fall Dig, Rose Hill Plantation (34CH275), Choctaw County, Oklahoma.
- 2011, Co-Director, Oklahoma Anthropological Society Fall Dig, Rose Hill Plantation (34CH275), Choctaw County, Oklahoma.
- 2011, Co-Director, Oklahoma Anthropological Society Spring Dig, Rose Hill Plantation (34CH275), Choctaw County, Oklahoma.
- 2010, Co-Director, Oklahoma Anthropological Society Fall Dig, Rose Hill Plantation (34CH275), Choctaw County, Oklahoma.
- 2010, Co-Director, University of Oklahoma field school at the Ramos Creek site (34MC1030), McCurtain County, Oklahoma.
- 2010, Oklahoma Anthropological Society Spring Dig, McCutcheon-McLaughlin site (34LT11), Latimer County, Oklahoma
- 2009-10, Co-Director, Archeological Survey of Evansville Creek, Adair County, Oklahoma.
- 2008-09, Director, Archeological Survey of the Big Skin Bayou Area, Sequoyah County, Oklahoma.
- 2008, Co-Director, University of Oklahoma field school at the Clement site (34MC8), McCurtain County, Oklahoma.
- 2006, Instructor, Penn State field school at the Massey Farmstead, Huntingdon County, Pennsylvania.
- 2002-04, Co-Director, Penn State field schools at Annis Village, Butler County, Kentucky.
- 2001, Field Assistant, Cypress Creek Archaic Project, Departments of Anthropology, University of Kentucky and Pennsylvania State University.
- 2000, Field Supervisor, Black Warrior Valley Survey, Department of Anthropology, University of Alabama.
- 1999-00, Laboratory Technician, Panamerican Consultants, Inc., Tuscaloosa, Alabama.
- 1999, Field Supervisor, Black Warrior Valley Survey, Department of Anthropology, University of Alabama.
- 1998, Acting Laboratory Director, Archaeological and Historical Consultants, Inc., Centre Hall, Pennsylvania.
- 1997-98, Field Director, Archaeological and Historical Consultants, Inc.
- 1996-97, Crew Chief, Archaeological and Historical Consultants, Inc.
- 1995-1996, Field Technician, Archaeological and Historical Consultants, Inc.
- 1995, Laboratory Volunteer, North American Archaeology Laboratory, Pennsylvania State University.
- 1995, Field Worker, Pennsylvania State University Field School in Archaeology.
- 1991-94, Field Technician, Archaeological and Historical Consultants, Inc.
- 1989-91, Laboratory Assistant, Archaeological and Historical Consultants, Inc.

## PROFESSIONAL SERVICE

2015-present, Vice Chairman, Board of Directors, Caddo Nation Heritage Museum.  
2011-present, Memoir Editor, Oklahoma Anthropological Society.  
2010-present, Committee A, Oklahoma Archeological Survey.  
2008-present, faculty advisor, University of Oklahoma Ice Hockey.  
2016-2017, Program Committee, Southeastern Archaeological Conference, 2017 meeting in Tulsa.  
2015-2017, President, Caddo Conference Organization.  
2013-2015, President-Elect, Caddo Conference Organization.  
2014-2016, Nominations Committee, Southeastern Archaeological Conference (chair, 2016).  
2013, faculty advisor, University of Oklahoma Roller Hockey.  
2008-2010, Board of Directors, Oklahoma Anthropological Society.  
2011-2013, 2017-present, Board of Directors, Caddo Conference Organization (Oklahoma representative).  
2006-2007, Organizing Committee, Southeastern Archaeological Conference Annual Meeting.  
Reviewer: *Antiquity*, *American Antiquity*, *Southeastern Archaeology*, *Midcontinental Journal of Archaeology*, *Journal of Archaeological Science: Reports*, *Polymath: An Interdisciplinary Journal of Arts & Sciences*, *Caddo Archaeology Journal*, National Science Foundation, University Press of Florida, Arkansas Archeological Survey Research Series

## GRANTS AND AWARDS

- 2019 Geophysical Survey of Potential Tulsa Race Massacre Burial Locations. City of Tulsa, \$56,599 (with Amanda Regnier).
- 2018 Geophysical Survey and Targeted Archaeological Testing of Laundress Quarters: Fort Gibson Historic Site, National Historic Landmark. National Park Service, \$9,600 (with Amanda Regnier).
- 2017 Monte Albán's Main Plaza: Geophysical Prospection in the Heart of Oaxaca's First City. National Geographic Society, \$10,922 (with Marc Levine and Amanda Regnier).
- 2015 Oklahoma Highways Cultural Resource Program, 2015-16, Oklahoma Department of Transportation, \$876,226.
- 2013 National Register of Historic Places Registration Forms for the Fort Wayne/Beattie's Prairie Site, Delaware County, Oklahoma. Oklahoma Historical Society, State Historic Preservation Office, \$9,570.
- 2013 National Register of Historic Places Registration Forms for the Bushyhead Depot Site, Delaware County, Oklahoma. Oklahoma Historical Society, State Historic Preservation Office, \$9,570.
- 2012 College of Arts and Sciences Faculty Enrichment Grant, University of Oklahoma, \$1,200.
- 2011 Oklahoma Historical Society, State Historic Preservation Office. Update to National Register Nomination for the Grobin Davis Mound Group in Southeast Oklahoma, \$24,936 (with Amanda Regnier).
- 2011 College of Arts and Sciences Faculty Enrichment Grant, University of Oklahoma, \$1,200.
- 2010 College of Arts and Sciences Faculty Enrichment Grant, University of Oklahoma, \$1,190.

- 2009 Oklahoma Historical Society, State Historic Preservation Office. Archeological Survey of Evansville Creek, Adair County, Oklahoma, \$24,999 (with Amanda Regnier).
- 2009 College of Arts and Sciences Faculty Enrichment Grant, University of Oklahoma, \$1,200.
- 2008 Oklahoma Historical Society, State Historic Preservation Office. Archeological Survey of the Big Skin Bayou Area of Sequoyah County, Oklahoma, \$24,088.
- 2008 College of Arts and Sciences Faculty Enrichment Grant, University of Oklahoma, multiple awards totaling \$3,160.
- 2004 Grant-In-Aid of Research, Sigma Xi, The Scientific Research Society. Origins and Significance of Cahokia-Style Pottery in Western Kentucky, \$1,000
- 2004 Third place, Social and Behavioral Science, Graduate Research Exposition, Pennsylvania State University, \$100.
- 2003 Research and Graduate Studies Office Dissertation Award, College of the Liberal Arts and Graduate School, Pennsylvania State University, \$2,000.
- 2002-03 Hill Fellowship, Department of Anthropology, Pennsylvania State University, \$7,000.
- 2002 Matson-Benson Award, Matson Museum of Anthropology, Pennsylvania State University, \$200.
- 2001-05 Research and Graduate Studies Office Travel Grants, College of the Liberal Arts and Graduate School, Pennsylvania State University. Multiple awards of \$400 each.
- 1999-00 David and Elizabeth DeJarnette Scholarship in Anthropology, Department of Anthropology, University of Alabama, \$3,000.
- 1999 Edwin C. Mahan Research Grant, Alabama Archaeological Society, \$500.
- 1999 Stephen B. Wimberly Scholarship, Alabama Archaeological Society, \$250.
- 1999 Research and Travel Grant, Graduate School, University of Alabama, \$250.

#### **CULTURAL RESOURCE MANAGEMENT PROJECTS SUPERVISED (Principal Investigator)**

- 2007 Phase I Archeological Survey for the Rarity Ridge Water Project, Roane County, Tennessee. City of Oak Ridge, \$5,617. Archeological Research Laboratory, University of Tennessee.
- 2007 Phase I Archeological Survey of the Vonore Heritage Park, Monroe County, Tennessee, \$4,612. Archeological Research Laboratory, University of Tennessee.
- 2007 Phase I Survey of 20 Acres along Notchy Creek, Tellico Reservoir, Monroe County, Tennessee, \$3,810. Archeological Research Laboratory, University of Tennessee.
- 2007 Phase I Archeological Survey at the Grand Gulf Nuclear Station, Port Gibson, Mississippi. Enercon Services, Inc., \$26,747. Archeological Research Laboratory, University of Tennessee.
- 2007 Phase I Archeological Survey for the Coweeta Creek Restoration Project, Macon County, North Carolina. Land Trust for the Little Tennessee, \$10,937. Archeological Research Laboratory, University of Tennessee.
- 2007 Phase I Survey of 4 Acres Fronting Bay View Estates, Tellico Reservoir, Loudon County, Tennessee. Tennessee Valley Authority, \$3,227. Archeological Research Laboratory, University of Tennessee.
- 2006 Phase I Cultural Resources Survey of the Proposed City of Maryville Wetlands Education Area, Blount County, Tennessee, City of Maryville, \$2,901. Archeological Research Laboratory, University of Tennessee.
- 2006 Phase I Survey of Three Proposed TWRA Fish Rearing Ponds, Meigs County, Tennessee. Tennessee Wildlife Resources Agency, \$3,367. Archeological Research Laboratory, University of Tennessee.

- 2006 Phase I Survey of Proposed Borrow Pits, Watts Bar, Rhea County, Tennessee. Tennessee Valley Authority, \$3,367. Archaeological Research Laboratory, University of Tennessee.
- 2006 Phase I Survey of Fillauer Branch Mitigation Site, Bradley County, Tennessee. McKenzie Companies, \$3,910. Archaeological Research Laboratory, University of Tennessee.
- 2006 Phase I Survey of Chattanooga Office Complex, Hamilton County, Tennessee. Tennessee Valley Authority, \$11,545. Archaeological Research Laboratory, University of Tennessee.
- 2006 Phase I Survey of Ft Defiance Historical Park and Pedestrian Trail, Montgomery County, Tennessee. City of Clarksville Street Department, \$4,580. Archaeological Research Laboratory, University of Tennessee.
- 2004 Archeological Survey, Appalachian National Scenic Trail, FY 2004 Pennsylvania Trail Relocations near Dauphin and Halifax, Dauphin County, Pennsylvania. Appalachian National Scenic Trail, National Park Service, \$518.

### PROFESSIONAL DEVELOPMENT

- 2018 Mississippian Iconography Workshop, Texas State University, San Marcos.
- 2017 Mississippian Iconography Workshop at the School for Advanced Research (SAR), Santa Fe, New Mexico.
- 2015 Mississippian Iconography Workshop, Texas State University, San Marcos.
- 2014 Theory and Practice of Applying Subsurface Interface Radar in Engineering and Geophysical Investigations. Training course, Geophysical Survey Systems, Inc., Salem, NH.
- 2012 Participant, *Current Archeological Propection Advances for Non-Destructive Investigations in the 21<sup>st</sup> Century*. National Park Service, Midwest Archeological Center. Cedar Point Biological Station, University of Nebraska. Alkali Station Site, 25KH7.

### MUSEUM EXHIBITS

“James W. Hatch: My Legacy Will Be My Students” (with Claire McHale Milner), Matson Museum of Anthropology, Pennsylvania State University.
